

| Special Product Data | Conditions | Min | Typ | Max | Unit |
|----------------------|------------|----------------------------------|-----|-----|------|
| Material of float | | stainless steel, AISI 316L (V4A) | | | |
| Float weight | | 6,2 | 6,6 | 7 | g |

| Mag. values DIN IEC 60404-8- | Conditions | Min | Typ | Max | Unit |
|------------------------------|---------------------|-----|-----|-----|-----------|
| Magnetic moment | measured with MS150 | 4,6 | 5,2 | 5,8 | E-6 Vs*cm |
